Education

Government College of Engineering, Karad, Maharashtra
B.Tech in Information Technology, **CGPA: 8.59**

Nov. 2022 – May 2026

The New College, Kolhapur, Maharashtra
12th Science, Aggregate: **73.67%**, MHT-CET: **95.92%ile**

June 2020 – March 2022

Shri-Ram Highschool & Jr. College, Kolhapur, Maharashtra
10th, Aggregate: **92.40%**

March 2020

Projects

AgroPro Website & Application | *HTML/CSS, JS, ML, Android Development*

Oct. 2024 – Present

- Developed a comprehensive web-based platform and mobile application to assist farmers as part of **Team Indra's** initiative, integrating advanced technologies into agriculture.
- Implemented key features such as a **Crop Recommendation System, Fertilizer Recommendation System, Plant Disease Classifier, Agro-Chat, WeatherWise, Trackmate, GrowSmart** and **Plant Infomation System** using machine learning models and interactive frameworks.
- Integrated **multilingual functionality** with the Google Translator API, ensuring accessibility for farmers from diverse linguistic backgrounds.

Employee CRUD Web App | *Spring Boot, Thymeleaf, Spring Data JPA, H2 DB*

March 2025 – April 2025

- Built a full-stack **Employee Management System** enabling CRUD operations with a clean and responsive UI using Thymeleaf.
- Designed dynamic pages for listing, adding, updating, and deleting employees with user feedback through **flash** messages.

Digital Calender | *C++, STL*

March 2024 – April 2024

- Developed a digital calendar **program** for task management, date calculations, age identification and event reminders.
- Implemented user-friendly features such as adding, editing, and deleting **events** using the C++ Standard Template Library.

Technical Skills

Languages: DSA, C/C++, Java, Python, SQL, HTML/CSS, JavaScript

Developer Tools: VS Code, Android Studio, PyCharm, IntelliJ, Eclipse, Anaconda, Git, MongoDB

Libraries & Framework: pandas, NumPy, NodeJs, Express, React

Achievements

Competitive Programming:

- CodeChef:** 2-star rating (1480), **680+** day streak, **1100+** problems solved.
- HackerRank:** 4-star in C and C++, 2-star in Python.
- LeetCode:** **1544** rating, top 32.8%, **600+** problems solved.
- Codeforces:** Maximum rating of **1129** (Newbie) & solved **350+** problems.

First Rank in Agricultural Domain Certification: Secured **first rank** in the agricultural domain for outstanding performance and innovation in the **Ideathon** organized by the ITSA & ISTE on 4 February 2025, for developing the **Agro-Pro Application and Website**. Demonstrated excellence in agricultural technology, problem-solving, and leadership.

Aspire Leaders Program Certification: Completed 30 hours of coursework in the **Aspire Leaders Program**, enhancing self-confidence, critical thinking, communication skills, and a passion for global social impact.

Scholar & Volunteer: Chosen as a **Vidyadhan Scholar** since high school and actively volunteering with Vidyadhan to mentor new scholars and organize events to support their academic success

Sports: College **Football Team**, Participated in inter-zonal sports events and secured **1st** position in the zonal competition in **Satara district** in Nov. 2024.

Positions of Responsibility

AlphaGeeks Coding Club | **President**

Aug. 2024 – Present

Team INDRA | **Software Team Member**

Aug. 2024 – Present
